

Special Notes

- Red Cards and Serious Incidents in USSF Games

For USSF games, red cards and other serious incidents should be reported. Contact the assignor if you have any questions on the report or who needs a copy. The USSF game report form is posted on the Forms page.

- A common question from new referees is how do we get paid for credit leagues?

After the season, the leagues are billed. Once the payment is received by our organization from all of the leagues, checks are distributed via mail by the Treasurer.

- Can we use a two-whistle system in USSF sanctioned matches if a referee is missing?

Under no circumstance should a dual whistle system be used in a USSF game! One is the referee and the other is an assistant referee. A club linesman may be recruited.

- Complete and Proper Uniform for USSF sanctioned matches.

All referees working USSF sanctioned matches must follow the USSF uniform guidelines. Visit U.S. Soccer's website for more information.

In the event of an incomplete uniform:

- a) Go home and get your complete and proper uniform, or
- b) Since a club Assistant Referee (AR) need not have a complete uniform, then a referee not in uniform may work, but for the same pay as a club AR (i.e., "nothing").

- BBSL will no longer pay for 3-officials at the U-10 and U-11 shortsided games. These are now 1-person games.

- BBSL will no longer pay officials cash at the field. We hope to bill monthly to distribute checks. This means no changing assigned games or position (Referee, Ar#1, AR#2) or you risk getting the wrong pay amount.

- To all assignors:

This weekend is the start of the fall season for the BBSL. I want to make everyone aware of a few things and clarify some things that may be unclear.

Regarding the checking of player passes prior to the game, in the spring season we instituted the policy of the team managers checking the opposing team's player passes and rosters. If there is any question regarding the eligibility of a player or the validity of any roster, they should bring this to the referee's attention prior to the start of the game. Obviously, the referees always have the right to check any player pass or roster. We have also instituted the rule that every team must present a copy of their stamped MSYSA roster to the referee prior to the start of the game for the referee to keep for his/herself.

League Rules:

SPRING 2015 NCSL RULE CHANGES

At the March 2015 meeting of the NCSL Board of Directors, the Board passed unanimously a series of significant rules changes that affect play in NCSL. The Board directed that these changes should be implemented immediately. The rules are set forth in their entirety in the NCSL Rules and Procedures Manual (available at http://www.ncsl-soccer.com/rules-procedures/index_E.html). They are summarized here.

Substitutions

NCSL now allows substitutions at the referee's discretion at any stoppage of play. Substitutions are no longer limited to goal kicks, kick-offs, and the team's own throw in. The only limitation is that the entering player may not enter the game to immediately take a penalty kick.

U15-U16	40	\$60.00	\$35.00
U17-U19	45	\$65.00	\$40.00

Special Notes:

- Check player passes prior to game: Yes
- **Referees should report the game information online from the blue match report and then mail the blue match report to the league.**
- For U9 and U10 matches, the NCSL allows USYS carded players to guest play on any U9 and U10 team within their club. While guest players must have their USYS player pass at the match and their name must be added to the game day roster. These guest players will obviously not be listed on the Official State Roster.

Special Notes:

- Check player passes prior to game: Yes
- **All forms will now be on line. Game Report Cards will not be completed at the field on game day. Referees will now be required to enter the information on line.**
- **WAGS will begin requiring U-12 assigned referees to obtain and report STARS who assist them. WAGS will also be requiring the referees to enter the STAR information. This information will be provided by the teams at the field. This process will permit us to confirm the STAR's for team payment.**
- Club Pass System – Carded players on U-9 through U-12 teams are permitted to guest play or any U-9 through U-12 teams within their club for which they are aged qualified. The main objective of the club pass system is to allow coaches to move players freely within their own club based on specific team needs and in the interest of player development. Players using club passes are considered guest players and can only play for one WAGS team per day. During Spring Season Play, an age appropriate U-12 player cannot play for another U-12 team in the same division or a U-12 team in a lower division.

- Frederick County has a rule that when there is a 5 goal difference the team that is ahead **MUST** take one player off the field and play short. If the difference becomes 7 goals then the team ahead must take a second player off of the field and play short 2 players. This rule is not optional and the coaches **MAY NOT** decide otherwise. If the goal differential falls below these numbers then the team may put a player back on the field.

1) Ref fees (\$80 per team per game we distribute \$70-\$45-\$45) will be whatever Maryland State Soccer Association sets for adult men's leagues in Maryland

2) Referees still get compensated by the league if a team fails to show up.

3) Referee fees are reduced by one AR amount (\$45) if a referee fails to show up.

4) If the league informs the assignor of a cancellation 24 hours in advance of the game, referees will be cancelled and there is no cost to the league.

5) If a game is started, officials are paid (if rain or lightning or behavior causes a game to be suspended or terminated)

6) If the sequence of games on a given day can't continue due to bad weather please inform the assignor ASAP and we will cancel officials as fast as possible. 24 hours notice does not apply to acts of nature (lightning, flooding)

7) The center referee will supply the required game report to the league (you may need to show us the first week or two how you want this)

8) Referee abuse will not be tolerated by the league.

9) A referee who is unprofessional in addressing players will be reported to the assignor.

10) The league may, and is welcome to, offer feedback to the assignor as to which officials are doing a good job and which officials are getting complaints. We tend to not be too harsh about complaints on judgement unless there are multiple complaints. We work closely with the leagues if the issue is fitness or professionalism. Hey, communicate with the assignor. This is a two-way street.

11) For liability purposes we'd like shin guards as mandatory equipment, no jewelry (at least visible), and rosters with numbers that match the jerseys for i.d. purposes
